ifty or two hundred well armed and disciplined troops to the scene of the contemplated disturbance. The effect was magical. The K. G. C. a mmediately went back to that homes.
Application has been made by the Governor for the transfer of all Hinois sodiers in hospitals outside the State to hospitals within its bortals. der.

(Avernor Yates has received information from the Secretary of War that the construction of the United States Alsenal at Rock Island shall receive immediate attention.

George B Smith, of the adjutant general's

General Price was at Pice Bloff, Arkanas.

Morton, Muss., August 13.—The Forty-sixth
Texts regiment of cavalry captured twentytwo Federals from wagons, eighteen miles the
other sade of the Big Black, vesterday, and
brought them safely to this place. They betelong to Steele's division of the Fifth armycorps. Their pickets have been withdrawn
from this side of the Big Black.

Gheeral Dick Taylor has captured thirty-five
New York planters, who were planting cotton
for the Lincoln Government. They were sent
to Texus for safe-keeping.

LEAVENWORTH, KANSAS, SACKED AND BURNED

very late military information from that, istate regarding the movements and designs of the rebel forces. We regard the information as troesworthy.

General Price is said to retain his old popularity among his troops, and it is probably to that fact that the Confederates have managed to retain even the semblance of an army, for the despened, fiszers widened and seems while it was under Holmes in percon, it was generally understood to be worse than no army generally understood to be worse than no army generally understood to be worse than no army against the southeast and the southeast angle mentally to the secondary and the southeast angle mentally to the secondary and the secondary to the secondary that the southeast angle mentally is a size of the secondary that the southeast angle mentally is a size of the secondary that the southeast angle mentally is a size of the secondary that the southeast angle mentally that the southeast angle mentally the secondary that the southeast angle mentally demands and the southeast angle ment June 10, Gen. Forey declaring that he could not take countraines of crimes perpetrated prior to his occapition of the capital.

The famous Padre Mirkada, exiled by Juneza, and for a long time a rendent of New York, is the President of the columities charged with the jimportant daty of visiting the Archduke Maximilian for the purpose of formally offering him the crown of Mexico, and is soon to take his departure for Europe.

Forey gave a grand ball in the capital on the night of June 29—the feast of St. Peter and Paul—as which three thousand persons were present, about hye hundred of whom were ladies. Notwithstanding this distressing disproportion between the sextle the feast visites were
