pondent of the New York Times

OEN. HOUSER'S RECEPTION IN THE ARMY.

If popular demonstrations furnish any test of popular regard. General Hocker's reception at Fairfax and Warrenton yesterday would seem to indicate that he possesses, to the fullest extent, the condidence and affection of the soldiery. Not only was he received by his old corps with the fullest appliance, but the same furore was created in commands to which he was personally a stranger.

thus revealed to the world an enormous power that overshadow whatever there is of military display in modern history, and has amaged the most arrogant nations of Europe.

Within eighteen months of this war the North and South have raised armies larger than the series of a month of the war the North and South have raised armies larger than the series of Europe.

Within eighteen months of this war the North and South have raised armies larger than the series of Europe.

Within eighteen months of this war the North and South have raised armies larger than the series of Europe.

Within eighteen months of this war the North and South series of Europe.

Within eight and the series of Europe.

Within eight and the world of the series of Europe and the series of Europe and as one nation, there could searcely have been any limits to the achievements of their military power. England could have overrun the continents, taken as an egg shell under the hamser agland alone as an egg shell

Office, 78 Chartres stre t.

If popular demonstrations furnish any test of popular regard. General Hocker's reception at Fairfax and Warrenton yesterday would seem to indicate that he porcessees, to the fullest extent, the confidence and affection of the soldiery. Not only was he received by higo dicorpe with the fullest appliance, but the same furors was reased in commands to which he was personally a stranger.

CLOTHING FOR THE CONTRABANG.

Two thomsaff dollars' worth of clothing, purchased under direction of Lieutenant-Cotonel Doster, Provos Marshal here, out of funds realised from the sease of contrabands at "Camp Harker" ker."

ARITURE OF THE CONTRABANG.

Two schooners, laden with whisky, was soliced yesterday at one of the wharver on the Potomac, and their captains and crew sensit to the Old Capitol Prison. It is supposed that the vessels were engaged in the same furors was soliced yesterday at one of the wharver on the following purchased on the same of the washed over engaged in the same furors was enized yesterday at one of the wharver on the following with the full of the commercial relations of France and their captains and crew sensition to Hold Capitol Prison. It is supposed that the vessels were engaged in the same, find the commercial relations of France of the same of America is a recent reveals tion to Rarope. With the South and North confederated under the side Government, the United States themselves and in illustration of the South and North confederated under the side Government, the United States themselves and in illustration of France of their self-complexacy, never dreamed. But the washes were engaged in the same, france of the surface of the full covernment, the United States being at the moderate and the same of the surface of the su

The Gars in the Birch Ridge, through which and any can pass—of which we hear so muchare seven in number, viz. Vestall's, eight miles from Harper's Ferry, Suicker's, twenty-four miles from Harper's Ferry Turnpike; Arbby's, thirty-three miles from Harper's Ferry Turnpike; Arbby's, thirty-three miles from Harper's Ferry, through which passes a branch pits from the low Ashby's is Manascan Clap, through which passes a branch pits from the low Ashby's is Manascan Clap, through which passes a branch pits from the low Ashby's is Manascan Clap, through which pits from the low Ashby's is Manascan Clap, through which the railroad: eight miles below is Chosser's Gap—a road not much traveled passes through it; wenty miles still further dawn is Thoraton's Gap, through which the sapplies for Lee's army were handed, in wagons, from Gordoneville and Corlesper. It is probable that the mais body of the rebels made good their retreat through Thoraton's Gap some days ago.

CHTY INTELLIGENCE.

Charge of Highway Robbery.—Jack Williams, of the Sixth New York Volunteers, was arrested on Drysdes extrest, on Wednesday, the start of the Sixth New Fork Volunteers, was a rested on Drysdes extrest, on Wednesday, which he harged by James Parker, of Apollo street, between Pailip and First streets, with highway to between Pailip and First streets, with highway to observe. Complainant's statement is, as reported by officer W. H. Paris, that abon, half as hour after noon on Wednesday, whilf he was called outside by some men belouging to the Sixth New York Volunteers, and that having gone out, when about forty yards from the hone, one of the party whom they called Bill, and whom he identifies as the accused, drew a revolver and demanded his money; that seeing no chance of secape he gave them what he had about him, amounting to \$64 75, which they took, and then allowed him to go; that a companion named Daniel Fitspatrick who was with him, endeavored to make his escape, but was pureued by several of the gang with knieres and revolvers, and he does not know whether they caught him or not; and that he also saw the same party insult and maltreat a poor woman going home from the funeral of her heshaud. The police are after the rest of the parties to these outrages.

Riotour.—S Arnould and Thomas Engerin
