### NEW ORLEANS, FRIDAY MORNING, NOV. 3, 1895.

**Our Motto:** "Good goods," "Large sales and small profits," result in a competency.

**DRAKE & HARKMAN,**  
256 CANAL ST.

**TP Office** of the Bee can always be found at Mr. Augustus Thomas's box, 285 Breaux street, between Union and Perdus.

On our second page will be found short and snappy news, back notices and various miscellaneous advertisements.

We call attention to the notice of removal of the Publishing Office of the City Bank of New Orleans, W. M. Mount, Manager, to No. 15 Commercial Place.

Messrs. J. B. Walton and Dextera will sell this morning, beginning at 10 o'clock, at the late residence of J. Don Hill, Esq., on Damppin street, between Esplanade and Chartres, the following: A new and elegant 1895 Buick Pony Carriage and an Emerson forcing engine. At the same sale, at 12 o'clock, will be sold a superior Billiard table of Pele's celebrated manufacture, with table, cues, complete set of balls, and a fine billiard bag.

**Removal.**—The firm of Wheeler & Co. is now established at 75 Poydras street.

**Mr. Charles** of the steamer M. S. Memphis, has not been at the office for some time.

**Mr. Francis** Brown will accept for a late market, (L. S. King).

We thank our friends for Geo. G. Eger, of the Foreign Post, for New York papers to the 20th Oct. and for other papers.

**CLARK'S VICKERSON ALKALINE.**—This alkaline for 1895 is before us. It contains a mass of well digested and useful information, military, political, and statistical. A military chronicle entitled "Vickerson's Diving War" is especially interesting. We know of no more valuable publication of the kind.

**HARRIS & ROBEY, BACON & BROS.**—Attention is called to several advertisements of Wheeler & Co. of 75 Poydras street, which are large and clear in design and make a large lot of American-made machinery, tools, and sundries, such as saw mills, looms, cut-off, punch, and other machinery.

**PIERCE'S GREAT BAY AT BAYON BOULEVARD.**—An advertisement for the steamer of the Bayou Company, No. 2, at the City Hall, on the 1st of November, at 10 o'clock, is not sufficient to materially change the nature of the steamer, which is still the same as it was before. We are glad to see that the steamer is still the same as it was before. We are glad to see that the steamer is still the same as it was before.
