THE BUREAU OF THE CONFEDERATE STATES. The Bureau of the Confederate States, which was organized in 1862, has been reorganized and its functions have been extended to include the management of the public lands and the collection of duties on imports and exports.

BY TELEGRAPH. The following is the substance of the telegrams received from the various parts of the country during the past week. The telegrams are full of interest and show the progress of the war and the state of public affairs.

THE CONFEDERATE STATES. The Confederate States have been reorganized and its functions have been extended to include the management of the public lands and the collection of duties on imports and exports.

AMUSEMENTS. The various amusements of the city are in full swing. The theatres are crowded with spectators and the music halls are filled with the sounds of the piano and the violin.

VERMIFUGE. A new and effective vermifuge has been discovered and is now being prepared in large quantities. It is a most valuable medicine for the treatment of all cases of intestinal worms.

CITY INTELLIGENCE. The following are the principal events of the week in the city. The city council has passed several important resolutions and the courts have rendered their decisions in several cases.
