Summary statement of entrances and clearances of American and foreign reasels engaged in the foreign and coast wice trade and fisheries, at the Customs District of New Orleans during the month of April, 1870: LOUISIANA Third Party Movement :At the Bale Depot of the To the Editors of the N.-O. BEE: Eleven editors of the so-called Convention Press of Louisiana having metria engaged in the foreign and coastwise trade and district of the State and build upon its ruins a new political organization, a sort of no party, the question arises, is such a movement either necessary or expedient under existing circumstances! Many good men and true chertain serious lembts on this subject, and even question the correctness of the reasons assigned by the Convention of Conservative editors for the adoption of such a course for the abandonment of the Democratic party for a new and untruel political organization, with no definite object in view, other than tenange in officials. These doubts can be reachly and easily dissipated by satisfactory answers to the following questions: 1. What was the total number of voters registered in 1882. 2. What was the total number of voters registered in 1882. 3. What number of votes were cast for concression that year? 3. What number of votes were cast for the bencoratic candidates that year? 4. To the Editors of the N.-O. BEE: Summary statement of entrances and cleagances of American sad forcign vossels entred an and treatment of the consequences of American sad forcign vossels trade and the force and the sum of the Customs District of American sad forcign coatwise trade and therefore an add forcign vossels are read and the reaction coatwise trade and therefore an add forcing and the forcign and then of the Customs 1.570.
