tarded through a neglect to appoint the necessary committees of the House, there for it resolved. That the Speaker he and he is hereby requested to amounce the committees before the cleep of this day's passion.

The continue was a laid on the table by it also of 58 to 18.

Mr. Thompson introduced a hill to amend the Registry laws, which bill seeks to a leave it beyond the power of the Governor, through the Registrar of Veters he appoints to disfranchise citizens, thereby securing the election of his partianas, or to commit frands in conting votes and making returns by which the voice of the people may be defeated.

On motion of Mr. Thompson the bill was read a first and second time, was ordered to be printed and was made the special order of the day for Saturday next at 1 o'clock, to be taken' up in committee of the whole, Mr. Thompson explaining that by this course reference to a special committee of the whole, Mr. Thompson the printed bill would be before members for a whole werk and could be thoroughly examined, and the delay of such a reference would be unnocessary, since the printed bill would be before members for a whole werk and could be thoroughly examined, and the delay of such a reference to the bill had been referred to the committee of the whole, the incline being made with the vetw of moving a reference of the bill to the Committees of Registration. Mr. Carr said: The gentleman from St. Tamminy Mr. Thompson anonot blind me. When he mere be refer the bill to the committee of the whole to accurate on the table and called for the contraction of the whole the committee of the whole the cardinate of the whole the committee of the w
