ADDRESS OF THE DEMOCRATIC STATE CENTRAL COMMITTEE, PEOPLE OF LOUISIANA.

Resolves of the Democratic Central Committee. The primary object of this Convention is to secure a perfect and thorough organization of the Democratic party throughout the State.

Another column of this issue we publish an address to the people of Louisiana from the Democratic State Central Committee, presenting the reasons which have prompted the committee to call a Convention of the party to assemble in this city at an early date.

That the Democratic propose to fight the election on the basis of the platform of 1892, and not on a distinct platform of their own composition.

That the Democracy will regard the rights of the colored voters as their own, and will not concede to a far-reaching platform on the general ticket.

That any section of the election law which leaves to the discretion of a local official the right to change the result of the election, is revolutionary in its origin, its operation and its purpose.

That the Democratic party is fully impressed with the importance of the election law, and are anxious to secure a far-reaching platform on the general ticket.
