CITY INTELLIGENCE

The Political Situation in Louisiana. The object of this article is to attract the public attention to the importance of certain reforms...

The problem, however, is how can their reform be achieved? This is a question which we will discuss in a future article...

The Division in question is of a local character, and is not a party division. It is a division of opinion...

Grant recognized the Customhouse as a public building, and he was not to be taken for granted...

On the other hand, and for precisely the same reason, the party now in power...

The Speaker says "The politicians and they are many who are opposing the reform..."

There is a danger of a party split between the two factions...
