A difficuty occurred last evening between G. W. Auderson and James O Hara the latter a master painter), at the corper of Lesiniana Avenue and Prytsmia street, and the consequence was that Anderson was shot and bally wounded in the left shoulder. O Hara has been arrested. we complicate the first series of the consequence was that Anderson and Warringest any Frice.

The BER AND THE GOVERNOR.

The Republicate is displeased, because, in contrection with the Levee Company matter, the Rec cannot concur with that iterrual in its opinion of the Governor. The public, doubtless, would be very much astonished and we might question our own identity if such a coincidence should happen, for, although we have no personal feeling toward him, we fully share the conviction the intelligent and we wish the server of the conviction of the intelligent and we wish the server of the want of police and superiors. On the most inserticious, we was a state of a dearester that blind him as one of the most inserticious men with which the South has been afficted, since the worl "carpet-barged" became a synonyme for greedy and continued by a morning look and the first they were back and of the want of police are conceding him, and regard him as one of the most inserticious men with which the South has been afficted, since the worl "carpet-barged" became a synonyme for greedy and continued the privilege of owner, and level the stating \$100 and continued the privilege of owner, and level the stating \$100 and any country to be a contractor with the State for work, which he is to measure and approve. He is as course as the owner, which he is to measure and approve. He is as course as the south can be anawers. Why nort Why should I be defined the privilege of owner, and the should be peer from R. A. Brewn, in a house on Bargundy street, was discussed, Mr. Brown being thought the case of I.P. Lechinsky, charged with baring a property of being a contractor with the State for work, which he is to measure and approve. He is as course as the contractor with the State for work, which he is to measure and approve. He is as course as the subject of the state of the subject o A SMALL COTTAGE HOUSE, containing of a F years.
