BROWN'S IRON BITTERS

More Good Words FOR BROWN'S IRON BITTERS

In previous announcements we have given, in their own language, the opinions entertained about Brown's Iron Bitters by leading Physicians, by prominent Clergymen, by well-known citizens, of Baltimore, where this excellent medicine is prepared, and where its popularity is unparalleled, and finally by many of our own citizens, who speaking from their own experience, have said of the very medicine which we now offer to you. Today we ask you to read still further testimony—all from Southern people who have used the medicine, and all received within the past few weeks. If you are feeling poorly, and are disposed to try Brown's Iron Bitters, you can obtain it from any respectable druggist. There are, however, preparations containing Iron, from the sale of which the Druggist obtains a greater profit than he can make on Brown's Iron Bitters. For this reason, many people are misled by purchasing cheap imitations. Do not be deceived; Brown's Iron Bitters is the only Iron medicine which does not blacken the teeth, produce headache, or cause constipation. **57¢ Price of the genuine Brown's Iron Bitters is \$1.00 per bottle.** Every bottle has the name and address of the manufacturer on the wrapper. No Wonder.
 A MAN WHO SUFFERED MENTAL AND PHYSICAL AGONY EIGHT YEARS PROCLAIMS HIS HAPPINESS.

Mental agony is dreadful, but when that and physical ailment combine, it is simply terrible. Such was the condition of Geo. W. Fraughton, of Huntington, W. Va., for eight years. He was a sufferer of necrosis—that is, the leg bone at the ankle was inflamed and mortified, which caused running sores. He says: "Pieces of bone the size of a silver three-cent piece came out of the sores on my leg. The discharge from the sores was almost continual, and I was unable to walk. For eight years I have been doctoring. I had been under the treatment of a physician at Newport, Ky., for a year, another at Huntington, O., attended me for three years, and a doctor here at Huntington worked with me for a long time. None of them did me any good, and they all finally said my case was hopeless. A few months ago I commenced trying PERUNA, and now I am well. I feel as good as anybody, and have perfect use of my limbs."

Mr. Alf Luak, Wooster, Ohio, writes: "Dr. HARTMAN, Columbus, O.: I have been a great sufferer from the dreaded disease, chronic catarrh of the stomach. I have thoroughly tried your MANALIN, and it has done me more good ten fold than all the doctors' prescriptions, and I have used legions of them."

Mr. Edgar Hart, Sinsler, P. O., Elk County, Pa., writes: "I have bought several bottles of your PERUNA, and find it to be of great benefit. I also gave it to some of my friends, they experienced the same result."

Mr. L. R. Wollen, 45 and 47 Ross street, Pittsburgh, Pa., writes: "I am taking PERUNA with good results, and can highly recommend it to all. I have applied at its different drug stores for one of your bottles. It claims they have none on hand at present. Please do me the favor to send me one."

W. W. Russell, druggist, Canonsburg, Pa., writes: "I handle your medicine, PERUNA. I have used immense quantities of it, and consider it a staple article. I have a great many customers who think there is no medicine like it for a tonic or for building up the system. I recommend it as a safe and reliable remedy."

Callista Fiebel, Malvern, Ohio, writes: "I take pleasure in recommending the use of PERUNA and MANALIN to any one afflicted with any form of lung or bronchial trouble. I have been for some time afflicted with a very troublesome cough, but a few bottles of PERUNA entirely cured me."

A Remarkable Case.
 Mr. Henry Ellis, 500 Scott street, Milwaukee, Wisconsin, writes: "Dr. S. B. HARTMAN & Co., Columbus, O.: I am induced by a sense of duty to the suffering to make a brief statement of your remarkable cure of myself. I was a most miserable sufferer from the various annoying and distressing diseases of delicate persons, which confined me to my bed for a long time, being too weak to even bear my weight upon my feet. I was treated by the most reputable physicians in our city, each and all saying they could do nothing for me. I had given up all hopes of ever being well. In this condition I began to take your MANALIN and PERUNA, and I am most happy to say in three months I was perfectly well—entirely cured, without any appliances or support of any kind."

Mr. G. A. Froehl, New Portage, Summit County, Ohio, writes: "My wife has been sick for about five years. The first place the doctor called it leucorrhoea, and treated it about one year, and she grew worse, and turned to ulceration of the womb, and was treated for that two years, but she grew worse and the doctor gave her up. When I employed Dr. Underwood, one of the best doctors of Akron, under his treatment she grew well, but under his treatment she had lost all of the sense of feeling, and her eyesight. She could not walk for nearly two years. About six months ago Underwood gave her up. She tried your PERUNA. She has taken three bottles, and it did more good than any other medicine. The paralysis has about left her; her eyesight is getting better. We will continue the use of PERUNA until she is well."

Mr. Isaac Nickodemus, Schellburg, Bedford County, Pa., writes: "I am induced, by a sense of duty to the suffering, to make a brief statement of your medicine in my head and throat. I doctored with one of the best physicians in our place for that dreaded disease, catarrh, and found no relief. But in 1883 I lost my speech, and was not able to do any kind of work for near three months. I could neither eat nor sleep. PERUNA and MANALIN did wonders for me. I used three bottles of PERUNA and one of MANALIN, and now I am in better health than I have been for ten years, and I can heartily recommend your medicine to all suffering from that dread disease, catarrh."

Mr. I. W. Wood, Mt. Sterling, Ohio, says: "Your medicine gives good satisfaction. My customers speak highly of its curative properties."

From the Bloody Ground.

DR. S. B. HARTMAN & Co., Columbus, Ohio, write: "I keep the largest stock of medicines of any store in Lewis county, with the exception of a drug store at Vansburg, our county seat, and am selling a great deal of your PERUNA and MANALIN. It is giving the best satisfaction of any medicine that I ever handled. In one case the constipation of the patient had been very sick and low spirited for a long time. For several years he has tried all the doctors here, and we have some good ones, and they did him no good. After much persuasion I sold him two bottles of PERUNA and MANALIN. He took half of the medicine. I could see a great change in him, and now he is as sound a man apparently as there is in this vicinity, and he says he is entirely well. He is a noble one and is highly respected. He is satisfied that your medicine saved his life, after all the doctors and all medicines had failed. Being unacquainted with you I refer you to John Shillito & Co., Altoona, Pa., and other business houses of Cincinnati."

R. L. GILLESPIE, P. A., Meigs, Adams & Shipley, of Waynesburg, Pa., writes: "Please send us some 'Iris of Life' immediately. We are having a big run on your medicine, PERUNA. Instead of dying out, like most medicines, in course of time, it seems to be growing in favor. We sell lots of it. Please send the books soon."

Messrs. Withorn & Urban, of Allegheny City, Pa., write: "Having a large sale for your PERUNA and MANALIN, we have also many calls for your book, 'Iris of Life.' Please send us a supply of them, German and English, and oblige."

G. Wolf & Son, Wilmet, O., writes: "Gentlemen: We handle your goods and they give good satisfaction."

A. G. Sellars, Greenup, Ky., says: "Gentlemen: I am handling your medicines, and having a good trade in them."

C. Saunders, Martinsburg, W. Va., writes: "Gentlemen: Your PERUNA sells fast and gives good satisfaction here. We sell more PERUNA than any other preparation we handle."

W. Bauer, St. Marys, Pa., writes: "My son is still improving in health. Your PERUNA is just the thing for him."

Adolph, Bakhaus & Co., Springfield, O., writes: "We are having a good sale for PERUNA. It sells as well as any medicine here, and gives the very best satisfaction."

She Had Confidence.
 Mrs. H. C. Harshbarger, Manor Hill, Huntington County, Pa., writes: "Dr. S. B. HARTMAN & Co., Columbus, O.: I have been afflicted for three years, caused by over-work too soon after confinement. My kidneys became seriously affected. I could not retain my urine day or night. It was high colored, thick and bloody. My months had left altogether for fourteen months, during which time I was confined to my bed with a heating in right ovaries. The discharge from the womb was so offensive no one could stay in the room. The urine continued bloody, with pain in voiding it, and when in bed would pass from me in my sleep. I have had three doctors attending me regularly, one for four months, one of the others one whole summer, and the third all winter. We had two others in consultation with them, and used twenty bottles of different medicines, but no medicines, all to no good. I then got a bottle of PERUNA, and before I got three-fourths of the bottle taken I quit wetting the bed, and could retain the urine sufficient to attend church, which I had not done for three years, and my months came back as natural as ever; indeed, I considered myself a well woman again. Since that time I have had pneumonia. My confidence in PERUNA was so great that I did not send for a doctor. I followed the directions of your 'Iris of Life,' and am over it, as well as could be expected of one so delicate as I have been. Others in my neighborhood had the same disease, and among them were strong men, and had the best physicians attending them, while I sailed through in safety on PERUNA and MANALIN. I sincerely believe, and would say to all the afflicted in the wide world, that PERUNA and MANALIN are the only two medicines that any one needs in any disease, if used as directed in your book entitled 'The Iris of Life.'"

J. E. Fleming, publisher of the New Dominion, Morgantown, W. Va., writes: "Some months since, I received some of your medicine in exchange for some of mine. My wife has taken five bottles of it, and has derived great benefit from it."

Mr. M. C. Pershing, Brantville, Pa., writes: "My wife has been using PERUNA for some time for weak lungs and liver and kidney complaint, and thinks it is doing her great good. Has used only one bottle as yet. Please send your book on the 'Iris of Life,' as we can't get any from our druggist."

Mr. John Denney, Mt. Vernon, O., writes: "We have a large sale in PERUNA. It gives satisfaction."
