A VISTA OF FASHION.

LEADING FEATURES OF GOWNS PRESENT AND PROSPECTIVE.

Among other forecasts of fashion is the one concerning the curious mode of making the backs and fronts of dresses of different materials and contrasting colors.

THE LATEST LINGERIE. Distinctive and Extravagant Displayed in Articles of Modern Underwear.

The latest lingerie displayed in the shops shows greater extravagance than ever before, and negligee gowns and nightgowns are real rivals of the ornate gown.

THE STUDY OF MUSIC. Teaching Early Principles—Through Music From Memory—Familiarizing the Mind.

Advanced studies in thorough bass and counterpoint are for the mature mind, but the fundamental principles of harmony—the A B C of music—should be taught to the beginner.

THE NARROW HOUSE. HINTS ON REMODELING TUNNEL-LIKE ROOMS.

NOTE AND LETTER PAPER. The Latest Style in Fashionable Note and Letter Paper.
