5 DROPS. n'existe pas de MALADIE qui ait autant déconcerté la science médicale de toutes les époques que le RHUMATISME. Je n'ai jamais donné durant mes 35 années de pratique, ni certifié, ni recommandé à une médecine patente quelconque, mais vaine un remède dont les résultats sont venus sous mon observation personnelle, car il n'y a pas de maladie qui ait autant déconcerté la science médicale de tous les âges que le rhumatisme et pour laquelle on a cherché inutilement un remède digne de confiance. A la fin nous l'avons trouvé dans le remède "5 DROPS", fabriqué par la Swanson Rheumatic Cure Company, Chicago, Ill.

Was Dying By Inches. The following is a pretty strong assertion from a Philadelphia, Pa., resident, but being backed up by so many others of a like nature it can be easily believed. "I gradually lost my appetite, flesh, vitality, ambition. In short, I was dying by inches. I had one foot in the grave and one outside. I thank God I learned of R.I.P.A.N.S. Tablets. They made me a hearty, healthy man, with renewed energy, vitality, strength, good memory and strong nerves."
