A majority of the whole Board shall constitute a quorum.

The Board of Directors of this corporation shall have the right at any time to sell all or any part of its property for cash or on terms of credit or to exchange it for stock in some other corporation, at such price and on such terms as to the Board of Directors may deem proper; or to sell same for part cash and part stock; and in the event of any such sale, the cash, if any, after paying the debts of the corporation, if any shall be divided ratably among the stockholders and the stock in any other corporation, if received, shall be represented by certificates of the new corporation to be delivered to the stockholders of this corporation in proportion to their interests therein: if such sale disposes of all the property of this corporation, then the payments and delivery of stock above referred to shall be made only on surrender of the certificates of stock in this corporation

That amendment received the affirmative votes of 19,481 shares out of 25,000 shares of the capital stock of said Land Company, and no negative votes, as the whole will more fully appear by reference to a copy of the minutes of said meeting attested by said appearer.

And said appearer declared that he appeared before me, Notary, for the purpose of putting in authentic form the adoption of said amendment, to the end that same may be filed and recorded in the office of the Secretary of State according to law, and I have paraphased said minutes "No Variatur" for identity with this act, and have annexed them hereto.

Thus done and passed in the presence of John L. Corcoran and Walter E. Adolph, competent witnesses, both of whom hereto sign with said party and me, Notary, the day and date aforesaid.
