Le conformateur Peyry

A LA NOUVELLE-ORLEANS.

Nous avons l'honneur de vous annoncer qu'une branche de notre Académie Nationale de Paris, France, pour coupe de vêtements, est ouverte à la Nouvelle-Orléans, 2004 avenue St-Charles, sous la direction de Monsieur F. Guérin, le grand couturier de cette ville.

S'il est une institution dont la Nouvelle-Orléans ait besoin, c'est bien une Académie de Coupe de Vêtements pour hommes, femmes et enfants. Le grand succès que nous avons obtenu avec les académies établies dans les premières villes d'Europe et d'Amérique, nous fait espérer un égal succès à la Nouvelle-Orléans, attendu qu'un établissement de ce genre sera le seul en cette ville.

A l'avenir, ceux qui désireront étudier cet Art si utile, indispensable même, ne seront plus forcés d'aller à l'étranger apprendre des coupes anciennes et surannées.

Le "Conformateur Peyry" est le système du vingtième siècle; c'est ce qu'il faut aux tailleurs pour hommes et pour femmes, aux modistes en robes et aux dames qui désirent confectionner elles-mêmes leurs vêtements.

Cette invention rivalise avec la machine à coudre quant à son utilité; et toutes les personnes qui s'intéressent à la coupe, à la confection et à l'élégance des vêtements des deux sexes, trouveront ce système scientifique d'une grande valeur pour le coupeur de peu d'expérience, et d'une grande utilité pour une personne expérimentée qui, ayant obtenu succès et renommée, désire pousser son savoir jusqu'à la perfection.

Le "Conformateur Peyry" est un système d'une grande précision appliqué à la coupe des vêtements, avec ou sans coutures. Il fonctionne de deux manières: s'ajuste aux mesures prises sur la personne et se conforme à toutes les courbes et lignes du corps; la juste aussi en le plaçant sur la personne même et prend les contours du corps horizontalement et verticalement. Breveté en 1899, et médaillé à l'Exposition Universelle de Paris en 1900, il est donc universellement recommandé. Le système est expliqué par un livre illustré renfermant 1048 différents diagrammes et dessins. Les dames et les messieurs pourront à première vue en comprendre les secrets, et quelques explications et un peu de pratique les rendront maîtres de cet art de la coupe. Des diplômes seront donnés aux élèves qui suivront un cours complet.

Nous faisons une déduction de $15.00 à chacun des lecteurs du journal l'ABEILLE qui se présenteront ou qui enverront par la poste un coupon de l'ABEILLE.

Les personnes ne pouvant se rendre à l'Académie apprendront le système par correspondance.

Pour tous renseignements, s'adresser par lettre à l'inventeur, Jean B. Peyry, Post Office Box 570, ou en personne à l'Académie, 2004 avenue St-Charles, N. O. Lne.

Before me JOHN G. EUSTIS, a notary public, duly sworn, commissioned and qualified, in and for the Parish of Orleans, State of Louisiana aforesaid, and in presence of the witnesses hereinafter named, and undersigned personally came and appeared the several persons whose names are hereunto subscribed, who severally declared that availing themselves of the law of the State of Louisiana, in such cases made and provided and particularly of the provisions of act 73 of the acts of the Legislature of the State of Louisiana, for the year 1904, approved July the 4th, 1904, they have covenanted and agreed and do by these presents covenant and agree and bind themselves, as well as all such persons as may hereafter become associated with them to form a corporation for the objects and purposes and under the articles and stipulations following, to-wit:

ARTICLE I

The name of this corporation shall be the CONSUMERS LUMBER MANUFACTURING AND EXPORT COMPANY, and under its said corporate name it shall have power and authority to have and enjoy corporate existence for the full term and period of ninety-nine years from and after the date hereof, contract, sue and be sued; to make and use a corporate seal and the same to alter and break at pleasure, to hold and receive, lease, purchase and convey, as well as mortgage and hypothecate property real and personal, and in fact, corporeal and incorporeal; to name and appoint such managers, directors, agents and officers as its business interest may require, and to make and establish as well as alter and amend from time to time such by-laws, rules and regulations for proper government of said corporation as may be necessary and proper.

ARTICLE III.

The objects and purposes for which this corporation is organized and established and the nature of the business to be carried on by it are hereby declared to be to buy, build, maintain and operate a saw mill or saw mills, planing mill and factories for the manufacture of all kinds of lumber, shingles, laths, and other kindred products; to purchase, own and sell timber lands and timber rights of all kinds, and to work said timber into every kind and character of products and by products, and to cultivate said land for any purpose whatsoever, build, own and operate steamboats, sailing vessels, pull boats, logging railroads, cars and every character of apparatus necessary or convenient for the handling, conveying and transporting the raw materials to and the finished products from said mill or mills; to sell and market the products of manufacture and the timber and lumber in all its stages; to own and operate and conduct stores and commissaries for sale of every character of merchandise necessary or convenient for the objects and purposes of this corporation.

ARTICLE IV.

ARTICLE V.

All the corporate powers of said corporation shall be vested in and exercised by Board of Directors to be composed of three stockholders to be elected annually on the 5th day of October of each year, except the first Board named and appointed in this charter, who shall hold their offices until the fifth day of October 1907, or until their successors are elected and qualified. All such elections shall be held by ballot and conducted at the office of said corporation under the supervision of two commissioners, to be appointed by the Board of Directors; at all such elections and corporate meetings, every stockholder shall be entitled to one vote for each share of stock standing in his name on the books of the corporation, to be cast in person or by its written proxy, and the majority votes cast shall elect. A failure to elect directors on the date above specified shall not dissolve the corporation nor impair its corporate management, but the directors then in office shall remain in office until their successors are elected and qualified; any vacancy occurring among officers or directors by death or resignation or otherwise shall be filled by election for the remainder of the term by the entire vote of the remaining directors. Every Board of Directors, except the board appointed by this charter, shall elect from their number, a President, Vice-President, a Secretary-treasurer, who shall be one officer of the Board of Directors, may from time to time name and appoint all such officers and agents as the business of the corporation may require. Two directors shall constitute a quorum for the transaction of any business, and there must be at least two concurring votes to authorize the Board to act. All contracts and obligations of the corporation must be signed by the President and Secretary before they shall become binding on the company.

ARTICLE VI.

Whenever this corporation may be dissolved, either by limitation or from any other cause, its affairs shall be liquidated by two commissioners to be appointed amongst the stockholders at a general meeting of the stockholders convened for such purpose, of which meeting notice shall be given in the manner and time provided for the stockholders meeting by Article Seven of this charter and majority in amount the capital stock of said company represented at such meeting, shall be requisite to elect said commissioners, who shall remain in office until the affairs of said corporation shall be fully liquidated; in case of the death of one or more of said commissioners, the vacancy shall be filled by election of the surviving commissioners.

ARTICLE VII.

This act of incorporation may be modified changed or altered, or said corporation may be dissolved with the consent of three-fourths of the capital stock represented at the general meeting of the stockholders convened for such purpose, and after notice shall have been given in one or more newspapers published in the City of New Orleans, once a week for four weeks preceding the meeting, and by written notice to each stockholder mailed thirty days prior to the date of meeting at the Post-office address designated by him in writing. Any change proposed or made in reference to the capital stock shall be made in accordance with the laws of the State of Louisiana on the subject of altering the capital stock of corporations.

ARTICLE VIII.

No stockholder shall ever be held liable for the contracts or faults of said corporation in any further sum than the unpaid balance due the corporation on the shares of stock owned by him, nor shall any mere informality in organization have the effect of rendering this charter null, or of exposing any stockholder to any liability beyond the unpaid amount remaining due on his stock.

ARTICLE IX

D. A. Hackney, R. H. Hackney, and William J. Young have been chosen and selected as the first Board of Directors of this corporation with R. H. Hackney, as President; D. A. Hackney, as secretary-treasurer, to serve as such until the fifth day of October 1907, or until their successors shall have been elected and qualified. The subscribers here to have respectively written opposite their names the amount of stock in this corporation subscribed by each of them, so that this act of incorporation may also serve as the original subscription list of said corporation.

Thus done and passed at my office in the City of New Orleans in the presence of Leo P. Bryant, George W. Kendall, competent witnesses of lawful age of this City, who have unto signed their names, with the said appearers and me notary, on the day and date aforsaid after due reading of the whole.
