**POÉSIE**

**ODE**

Aux petits-fils de Garibaldi.  
Italie, ô ma bien-aimée!  
Je savais bien que tu vendrais,  
Et que dans la Grande Epopée  
Ton noble étendard flotterait.

Oui, je savais que ton épée  
Châtierait les vils égoïstes  
Et que dans la Grande Epopée  
Se lèverait ton bras vengeur!

Et je savais bien que la Gloire  
Conduirait les Bersagliers  
Pour que des mains de la Victoire  
Tomberaient en masse les lauriers.

Je l'attendais, ô fière amante!  
Enfin tu vas pouvoir bondir  
Et comme le soir de Lépante  
Entendre ton Lion rugir!

La lutte est digne que tu bouges.  
Apparaît le cirque l'attend!  
Le sable de l'arène est rouge!  
Les Gladiateurs sont contents!

La "Railway Realty Company," socié-
